ST. LOUIS LIVE STOCK MARKET

Special to Marshall Republican.

National Stock Yards, Ill., Sept. 14. Cattle receipts 8000. Market fully steady with yesterday. One lot of choice yearlings reached \$8.25, and although that looks high for yearlings, it is not the limit of expectations under present demand. The range in values continues very wide, choice grades selling 15 to 25c higher than a week ago. Medium killers, excepting heifers steady, and the medium heifers of which supplies have been liberal 10 to 15c lower. Outlook strong on the good kinds.

Hog receipts 7500. Market opened steady, and all early sales to butchers and shippers were on that basis. Tops reaching \$8.62 1/2, which was paid for one small bunch of choice hogs. Late in the day after shippers had filled up packers bought their hogs 10 to 15c lower and at the close a good many hogs remained unsold. Aside from a few choice hogs the quality was very ordinary; bulk \$5.10 to \$4.50. We sold some choice 124 lb. pigs at \$8.00; outlook about steady, and we recommend shipping all hogs that will do to come.

Sheep receipts 4000 market steady. Top lambs 7.50. They were not as good as the best yesterday. Top sheep 4.85. It looks like light supplies and a strong market during the remainder of this week.
